Class Levels – How do I choose the class level that is right for me?

Kulture Break is all about inclusion, and so for our 2019 “Make Ya Move” classes we want to provide dance pathways for all levels

- **Genesis** If you have never danced before or have a small amount of dance experience and would a refresher on this style’s foundations and techniques before progressing to the next level, then Genesis is for you!
- **Nexis** You’ve been dancing for a little while, have the foundations but aren’t quite ready for fast-paced learning and want to build up to more advanced techniques...jump into one of our Nexis classes!
- **Edge** If you’ve had enough dance experience that you confidently know the techniques and foundations of the style, and you’re ready for a bit of a challenge with more fast-paced learning, live on the edge with one of our Edge classes!

Gungahlin – Gold Creek High School 140 Kelleway Ave, Nichols
