## WHO ARE WE

Established in 2002, Kulture Break is a not-for-profit social enterprise, committed to empowering the well-being and inclusion of children and youth with a focus on reducing the risks associated with mental health through the creative arts.

## DANCE NATION PROGRAM INFORMATION

With more and more primary and high school students experiencing social exclusion, disengagement and a decline in mental and physical health, Kulture Break have created an in-school program to help improve students over all wellbeing.

Dance Nation is an in-school arts program uniquely designed to build a sense of identity, belonging, and pride in each participating student. We are now preparing for our 2021 wellbeing and inclusion Dance Nation program- 'RESURGENCE' - and with limited spaces available would like to invite your school to register now.

## REGISTRATION

Registrations are now open to all ACT Schools, with places being allocated on a first-in basis. To register click [here](#) or visit <https://kulturebreak.com/dance-nation/> to complete the 2021 Dance Nation Form.

## LIMITED SPACES

Registration will be on a first-in basis, and requires both completion of an online form and payment of the registration fee before your school's participation can be secured. A minimum commitment of 20 students per school is also required.

Due to the COVID-19 pandemic the program looked a little different in 2020, albeit, we received so much positive feedback from teachers, students and families. Check out the [highlights from 2020](#) and get in quick to ensure your school doesn't miss out in 2021!
