L1 If you have never danced before or have a small amount of dance experience and would like a refresher on this style's foundations and techniques before progressing to the next level.

L2 You've been dancing for a little while, have the foundations but aren't quite ready for fast-paced learning and want to build up to more advanced techniques.

L3 If you've had enough dance experience that you confidently know the techniques and foundations of the style and you're ready for a bit of a challenge with more fast-paced learning.
