Make Up Tutorials

Stage lights can be harsh and wash out the dancer's facial expressions. Makeup will help to reduce this. However, please note that wearing makeup is entirely optional.

The 'mini makeup tutorial' is for kids aged 3-9.

Are students required to wear a Kulture Break t-shirt for the finale?

We encourage all students to wear a Kulture Break t-shirt for their finale dance as it helps to create that unified "KB Vibe" our community thrives on.

If students are unable to purchase a Kulture Break t-shirt, please speak with one of our front office staff to make other arrangements.

Merchandise

Will there be Kulture Break t-shirts available at the concert?

Yes. We will have a merchandise table in the foyer.

Footage

Can I bring my own camera?

To ensure the safety and privacy of our students, Kulture Break has a strict policy prohibiting unauthorised photography and filming. This means audience members and volunteers are not permitted to take videos or photographs within the auditorium during performances. Cameras are also strictly prohibited in backstage changing areas.

Unauthorised persons seen to be using a camera device in these areas may be asked to leave at Kulture Break's discretion.

Will I be able to purchase footage and photos of the performance?

Footage is included as part of your ticket purchase, at no extra cost!

Photos will be available for purchase after the concert. A QR code for purchase will be provided on show day.

Permission Notes

Do students need to have signed permission?

Yes. Our concert is a professionally filmed and photographed event, and all performers must have written permission to participate. Photos and footage may be used by Kulture Break to promote our wellbeing and inclusion programs. Performers will not be identified in either without written permission from the performer (if 18yrs+) or their guardian (if u18yrs).

Students 13yrs+ may get written parental permission to sign themselves in and out.

Where can students a new copy of the permission note?

A generic copy of the permission note can be found [online here](#).

Rehearsal and Performance Times

Which concert is my child performing in?

There will be two shows. Take a look at the list on [our website](#) to see which show your child's class is in. If you have any queries, please speak to your child's coach, or get in touch with us via phone or email.

When and where will the concert rehearsals be held?

A full TECH Rehearsal is being held on Sunday 26th June at Kambri ANU. Students will need to attend the rehearsal for the concert they are in and stay until the end of their class rehearsal. These students are encouraged to remain signed in for their entire rehearsal time frame.

Upon arrival to rehearsals, we ask performers to sign in at the side entrance of the building, near the carpark round-a-bout, and head to their allocated room for supervision. Sign out after rehearsal will be in the same area at the designated release time.

When do performers need to be at the theatre for showtime?

For Show 1, all performers are required in full hair, make up and costume at Kambri at 8:30-9:00am. They will remain at Kambri until showtime.

For those who are **only** in Show 2 (not in Show 1). All performers are required in full hair, make up and costume at Kambri at 2:00pm.

All students performing in Show 1 and Show 2 have the option to stay at Kambri the whole day, or they can leave at 11am (after rehearsals) and return by 3:00-3:30pm.

Which rehearsal does my child need to attend?

If your child is only in Show 1, they will be required to attend Rehearsal 1 (9am on Sunday 26th June at Kambri).

If your child is only in Show 2, they will be required to attend Rehearsal 2 (2pm on Sunday 26th June at Kambri).

If your child is in both Show 1 and Show 2, they only will be required to attend Rehearsal 1 (9am on Sunday 26th June at Kambri).

Please see [our website](#) for more details on rehearsals.

Sign In/Out

Where do performers sign in and out?

Please note, due to our child safe policy, and WWVP legislation, only people who hold a current WWVP card will be permitted into the backstage areas. If you need to see your child backstage, you will need to be escorted by a Kulture Break staff member.

Sign in AND sign out for each concert will be via the loading sock entrance, located at the Kingsley Street Round About.

What happens with sign-in/sign-out for the concert?

All students under the age of 18 must be signed in and out by a parent/guardian to comply with WWVP safety requirements. Students 13-17years old may sign themselves in if written permission has been received by Kulture Break.

Do performers need to purchase tickets?

Volunteers

We believe the mid and end of year fundraiser concerts are an important part of encouraging our students and building their confidence. As a charity organisation, Kulture Break rely on volunteers from our community, and we simply would not be able to pull it off without the support from our amazing VTeam.

Parent helpers

If you have a young child who will be performing, you may consider being one of our parent helpers. Parent helpers will assist the dance coach and production team with younger classes- helping them with costumes, hair and reassuring any pre-performance nerves!

How can I be part of the VTeam (Volunteer Team)?

If you'd like to join our VTeam, we have a range of roles available and would love to hear from you. Fill in the volunteer sign up form by [clicking here](#) and feel free to mention if you have a specific skill set you think we could use. We'd love to have you even if you're only available during rehearsals or one of the concerts.

What to Bring

Should I pack food and drink for my child?

Yes please! We ask that parents pack a snack and a refillable water bottle for your child to have backstage. It can be a long day for performers, and it is essential they have enough food and water to keep them hydrated and nourished backstage. Please ensure no nuts are packed due to allergy concerns.

Is there anywhere to purchase food and drink at Kambri?

There are multiple food and beverage vendors in the Kambri precinct.

Can my child take a personal gaming device, iPad, money etc?

We advise students not to bring valuables as Kulture Break cannot be responsible for any lost, stolen or damaged belongings.

What else should my child bring?

Please make sure your child has their costume/s and any hair or make up accessories required, KB t-shirt, **water and snacks**. You may also like to pack a few activities such as colouring books and pencils or cards that your child can play backstage between performances.
